Chair's letter

“We look forward to welcoming you to Trainline’s 2023 Annual General Meeting at our Edinburgh office.”

Brian McBride
Chair

Dear Shareholder,

Trainline plc (“Trainline” or the “Company”) will be holding its Annual General Meeting (the “**AGM**”) on Thursday, 29 June 2023 at 1 Tanfield, Edinburgh, EH3 5DA with the meeting set to start at 08:30 am.

The official business of the AGM is set out on pages 4 to 6 of this notice of AGM (the “**Notice**”).

AGM arrangements and voting

The Company’s board of directors (“Board”) is pleased to invite shareholders to attend the 2023 AGM at our Edinburgh office, 1 Tanfield, Edinburgh, EH3 5DA, in person.

Your vote is important so I strongly encourage you to submit a proxy vote in advance of the AGM and appoint the chair of the AGM as your proxy with directions as to how to cast your vote on the resolutions proposed, even if you intend to join the AGM in person. The notes on page 7 explain how you can submit your proxy vote electronically. Alternatively, if you are not equipped to submit electronically, the accompanying proxy card provides details on how you can submit your proxy vote by post.

If you have any questions that relate to the business of the AGM, I invite you to submit them via email to investor@trainline.com before the AGM takes place. We will maintain a list of responses to frequently asked questions in relation to our AGM on our website at <https://www.trainlinegroup.com/investors>.

Business of the meeting

All current Directors will stand for election or re-election at the AGM, in line with the provisions of the UK Corporate Governance Code 2018. Having considered the performance of and contribution made by each of the Directors, the Board considers each Director to be fully effective and committed to his or her role and recommends them all for election or re-election. The Directors’ biographies are detailed on pages 66 to 67 of the FY2023 Annual Report.

Recommendation

The Directors consider all the resolutions set out in this Notice to be in the best interests of the Company and its shareholders as a whole. The Directors unanimously recommend that you vote in favour of all the resolutions set out in this Notice as they intend to do in respect of their own beneficial shareholdings.

Brian McBride
Chair
4 May 2023

Summary of resolutions

Resolutions

Resolution 1 – Reports and Accounts

The Directors are required to present the annual accounts, strategic report, directors' report and the auditors' report on the accounts to the meeting.

Resolution 2 – Directors' Remuneration Report

The Directors' Remuneration Report for the 2023 financial year (the "2023 Remuneration Report"), which sets out details of the remuneration paid to the Directors during the year ended 28 February 2023, can be read on pages 76 to 88 of the FY2023 Annual Report. The vote is advisory in nature and therefore no entitlement to remuneration is conditional on the passing of the resolution.

Resolutions 3 to 9 – Election and re-election of directors

In accordance with the Company's Articles of Association and the UK Corporate Governance Code 2018, all Directors will retire and stand for election or re-election at the AGM. Resolutions 3 – 9 (inclusive) propose their election or re-election by the Company's shareholders. Biographical details of all current Directors are set out on pages 66 to 67 of the FY2023 Annual Report to enable shareholders to take an informed decision on their election or re-election.

The Nomination Committee has reviewed the independence of each Non-executive Director and determined that they are all independent in character and judgement and there are no relationships or circumstances which are likely to affect their judgement. The Non-executive Chair was considered independent upon appointment.

The Nomination Committee are satisfied that each Director devotes sufficient time to their duties and demonstrate great enthusiasm and commitment to their roles. All Directors are therefore recommended by the Board for election or re-election.

Resolutions 10 and 11 – Re-appointment of the auditor and remuneration of the auditor

At each meeting at which the Company's accounts are presented to its members, the Company is required to appoint auditors to serve until the next such meeting. Resolution 10 proposes that PricewaterhouseCoopers LLP be re-appointed as auditors of the Company to hold office until the conclusion of our next AGM. Resolution 11 gives authority to the Directors to determine the auditors' remuneration.

Resolution 12 – Political Donations

The Company does not propose or intend to make political donations and did not make any political donations in FY2023, within the normal meaning of that expression. However, as the definition of political donations in the Companies Act 2006 is broad, it is possible that normal business activities, which might not be thought to be political donations or expenditure in the usual sense, could be caught. This resolution is proposed as a precaution to ensure that the Company and its subsidiaries do not unintentionally technically breach the Companies Act 2006.

Resolution 13 – Authority to Allot Shares

This resolution is to renew the Directors' authority to allot shares. The authority will allow the Directors to allot ordinary shares in the Company, or grant rights to subscribe for or convert any securities into ordinary shares of the Company, which represent not more than one-third of the issued share capital of the Company as at 4 May 2023, being the last practicable date prior to the publication of this document.

Resolution 14 – Disapplication of pre-emption rights

This resolution would allow the Directors to allot shares for cash and/or sell treasury shares up to a set value without having to offer such shares to existing shareholders on the conditions as described on page 10.

Resolution 15 – Disapplication of pre-emption rights for acquisitions and other capital investment

This resolution would give the Director's authority to allot additional shares for cash and/or sell treasury shares up to a set value as described on page 10 without having to offer such shares to existing shareholders, in connection with an acquisition or other capital investment.

Resolution 16 – Purchase of own shares

This resolution will authorise the Company to make market purchases of up to a set number of its own shares as described on page 11 and specifies the minimum and maximum price at which the shares may be bought.

Resolution 17 – General Meetings

This resolution seeks to authorise the Directors to call general meetings (other than an annual general meeting) on 14 clear days' notice.

A further explanation of Resolutions 13 to 17 is available on pages 10 and 11.

Renewal of authority to allot shares

13. That the Directors be generally and unconditionally authorised pursuant to section 551 of the Companies Act to allot shares in the Company, and to grant rights to subscribe for or to convert any security into shares in the Company up to an aggregate nominal amount of £1,602,268 to:

and so that the Directors may impose any limits or restrictions and make any arrangements which it considers necessary or appropriate to deal with treasury shares, fractional entitlements, record dates, legal, regulatory or practical problems in, or under the laws of, any territory or any other matter, such authority to expire at the end of the next AGM of the Company (or, if earlier, at the close of business on 27 September 2024), but in each case, during this period the Company may make offers or enter into agreements which would, or might, require shares to be allotted or rights to subscribe for or convert securities into shares to be granted after the authority expires and the Directors may allot shares or grant rights to subscribe for or convert securities into shares in pursuance to any such offer or agreement as if the authority had not expired.

Disapplication of pre-emption rights

14. That, subject to the passing of Resolution 13 and in place of all existing powers, the Directors be generally empowered pursuant to section 570 and section 573 of the Companies Act to allot equity securities (as defined in the Companies Act) for cash, pursuant to the authority conferred by resolution 13 as if section 561(1) of the Companies Act did not apply to the allotment. This power:

- (a) expires (unless previously renewed, varied or revoked by the Company in a general meeting) at the end of the next annual general meeting of the Company after the date on which this resolution is passed (or, if earlier, at the close of business on 27 September 2024), but the Company may make an offer or agreement which would or might require equity securities to be allotted after expiry of this power and the Directors may allot equity securities in pursuance of that offer or agreement as if this power had not expired; and
- (b) shall be limited to the allotment of equity securities in connection with an offer of equity securities:
 - (i) to the ordinary shareholders in proportion (as nearly as may be practicable) to their existing holdings; and
 - (ii) to people who hold other equity securities, if this is required by the rights of those securities or, if the Directors consider it necessary, as permitted by the rights of those securities,

and so that the Directors may impose any limits or restrictions and make any arrangements which they consider necessary or appropriate to deal with treasury shares, fractional entitlements, record dates, legal, regulatory or practical problems in, or under the laws of, any territory or any other matter; and

- (c) shall be limited to the allotment of equity securities for cash or otherwise up to an aggregate nominal amount of £240,340.

This power applies in relation to a sale of shares which is an allotment of equity securities by virtue of section 560(3) of the Companies Act as if in the first paragraph of this resolution the words 'pursuant to the authority conferred by Resolution 13' were omitted.

Disapplication of pre-emption rights for acquisitions and other capital investments

15. That, subject to the passing of Resolution 13 and in addition to any power given to it pursuant to Resolution 14, the Directors be generally empowered pursuant to section 570 and section 573 of the Companies Act to allot equity securities (as defined in the Companies Act) for cash, pursuant to the authority conferred by Resolution 13 as if section 561(1) of the Companies Act did not apply to the allotment. This power:

(a) expires (unless previously renewed, varied or revoked by the Company in a general meeting) at the end of the next annual general meeting of the Company after the date on which this resolution is passed (or, if earlier, at the close of business on 27 September 2024, but the Company may make an offer or agreement which would or might require equity securities to be allotted after expiry of this power and the Directors may allot equity securities in pursuance of that offer or agreement as if this power had not expired; and

(b) shall be limited to the allotment of equity securities for cash up to an aggregate nominal amount of £240,340 and provided that the allotment is for the purposes of financing (or refinancing, if the power is used within six months of the original transaction) a transaction which the Directors determine to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-emption Rights most recently published by the

Pre-emption Group prior to the date of the notice of the meeting.

This power applies in relation to a sale of shares which is an allotment of equity securities by virtue of section 560(3) of the Companies Act as if in the first paragraph of this resolution the words 'pursuant to the authority conferred by Resolution 13' were omitted.

Purchase of own shares

16. That, the Company be generally and unconditionally authorised to make market purchases (within the meaning of section 693(4) of the Companies Act) of ordinary shares of 1 penny each in the capital of the Company ("Shares") on such terms as the Directors think fit, provided that:

(a) the maximum aggregate number of Shares which may be purchased is 48,068,050;

(b) the minimum price, exclusive of any expenses, which may be paid for each Share is 1 penny;

(c) the maximum price, exclusive of any expenses, which may be paid for each Share is an amount equal to the higher of:

(i) 105% of the average of the middle market quotations of a Share as derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which the Share is contracted to be purchased; and

(ii) an amount equal to the higher of the price of the last independent trade of a Share and the highest current independent bid for a Share on the trading venue where the purchase is carried out; and

(d) this authority will expire at the end of the next annual general meeting of the Company, except in relation to the purchase of Shares under this authority the contracts for which are made before the expiry of this authority and which are executed wholly or partly thereafter.

CREST and Proxymity proxy appointment

6. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy instruction service may do so for the AGM and any adjournment thereof by using the procedure described in the CREST Manual. These procedures are available via www.euroclear.com. CREST personal members or other CREST sponsored members, and those CREST members who have appointed voting service providers, should refer to their CREST sponsors or voting service providers, who will be able to take the appropriate action on their behalf.

For a proxy appointment or instructions made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ("EUI") specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) no later than 08:30 am on 27 June 2023, or, in the event of an adjournment of the Meeting, 48 hours before the adjourned meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular message. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member, or has appointed a voting service provider(s), to procure that his/her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In connection thereto, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

If you are an institutional investor you may be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 08.30 am on 27 June 2023 in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy.

Corporate Representatives

7. Only those shareholders whose names appear in the Company's register of members: as at 6.30 pm on 27 June 2023; or if the Meeting is adjourned, in the Company's register of members at 6.30 pm on the day two days prior to the adjourned meeting, shall be entitled to vote. Changes to the register of members after the relevant deadline shall be disregarded in determining the rights of any person to vote at the Meeting.

Any corporation which is a shareholder can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a shareholder provided that no more than one corporate representative exercises powers over the same share.

If two or more corporate representatives purport to vote in respect of the same shares: (a) if they purport to exercise the power in the same way as each other, the power shall be treated as exercised in that way; and (b) in other cases, the power shall be treated as not exercised.

Shareholder requisition rights

8. Only those shareholders whose names appear in the Company's register of members as at 6.30 pm on 27 June 2023, or if the Meeting is adjourned, in the Company's register of members at 6.30 pm on the day two days prior to the adjourned meeting, shall be entitled to vote. Changes to the register of members after the relevant deadline shall be disregarded in determining the rights of any person to vote at the Meeting.

Shareholders meeting the threshold requirements set out in section 527 of the Companies Act have the right to request that the Company publish a statement on its website setting out any matter that such shareholders propose to raise at the meeting relating to the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the meeting. The request must be received by the Company by 22 June 2023, (being at least one week before the Meeting) and the Company may not charge the requesting shareholders for website publication of such a statement.

The Company must also forward the statement to the Company's auditors no later than the time the statement is made available on the Company's website. The business which may be dealt with at the AGM includes any website statement relating to audit concerns.

Explanation of resolutions

An explanation of Resolutions 13 to 17 is set out below.

Resolution 13 – Authority to Allot Shares

This resolution will give the Directors the general authority to allot new shares, and grant rights to subscribe for, or convert any security into, shares, up to a maximum nominal value of £1,602,268, which is equal to approximately one-third of the issued share capital of the Company as at 4 May 2023, being the latest practicable date prior to the publication of this document.

The Directors have no present intention of exercising this authority but consider it prudent to maintain the flexibility that this authority provides. As at 4 May 2023, being the latest practicable date prior to the publication of this document, the Company does not hold any treasury shares. This authority will remain in force until the conclusion of the annual general meeting of the Company in 2024 at which the Company is likely to seek renewal of the authority (or, if earlier, at the close of business on 27 September 2024).

Resolution 14 – Disapplication of pre-emption rights in certain circumstances

This resolution would allow the Directors to allot shares, or grant rights to subscribe for, or convert securities into, shares, and/or sell treasury shares for cash without having to offer such shares to existing shareholders up to a maximum nominal value of £240,340, which is approximately 5% of the Company's issued share capital as at 4 May 2023, being the latest practicable date prior to the publication of this document.

Resolution 14, if passed, will allow the Directors to make appropriate exclusions and other arrangements to resolve legal or practical problems which, for example, might arise in relation to overseas shareholders. This disapplication authority is lower than the limits proposed by the Pre-Emption Group's Statement of Principles 2022 (the "Statement of Principles"). Annual renewal of this authority will be sought in accordance with best practice and in line with the most recent Statement of Principles.

While the Directors do not currently intend to allot shares pursuant to the authority under this resolution, the Directors wish to ensure that the Company has maximum flexibility in managing the Group's capital resources. Further the Directors do not intend to issue, pursuant to the authority under this resolution, more than 7.5% of the issued share capital of the Company on a non-pre-emptive basis in any rolling three-year period, without prior consultation with shareholders.

This authority will expire at the conclusion of the annual general meeting of the Company in 2024 at which the Company is likely to seek renewal of the authority (or, if earlier, at the close of business on 27 September 2024).

Resolution 15 – Disapplication of pre-emption rights for acquisitions and other capital investment

This resolution would give the Directors authority, in addition to the authority granted in Resolution 14, on a non-pre-emptive basis, to allot shares for cash and/or sell treasury shares up to a maximum nominal value of £240,340, which is approximately 5% of the Company's issued share capital as at 4 May 2023, being the latest practicable date prior to the publication of this document, without having to offer such shares to existing shareholders for the purposes of financing (or refinancing, if the waiver is used within six months of the original transaction) a transaction which the directors determine to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles.

There are no current plans to allot shares pursuant to the authority under this resolution, however, the Directors wish to ensure that the Company has maximum flexibility in managing the Group's capital resources. This authority will expire at the conclusion of the annual general meeting of the Company in 2024 at which the Company is likely to seek renewal of the authority (or, if earlier, at the close of business on 27 September 2024).

Resolution 16 – Purchase of own shares

This resolution will authorise the Company to make market purchases of up to 48,068,050 Shares, being just under 10% of the Company's issued share capital as at 4 May 2023, being the latest practicable date prior to the publication of this document, and specifies the minimum and maximum prices at which the Shares may be bought.

This authority will expire at the conclusion of the annual general meeting of the Company in 2024. Renewal of this authority is likely to be sought at the annual general meeting each year.

The Directors confirm that they will exercise this buy back authority only when, in light of the prevailing market conditions, they consider such purchases would result in an increase in earnings per share and would be in the best interests of shareholders generally.

Any Shares purchased would be effected by a purchase in the market and may either be cancelled or held as treasury shares, which may then be cancelled, sold for cash or used to meet the Company's obligations under its employee share schemes.

As at 4 May 2023, being the latest practicable date prior to the publication of this document, the total number of options to subscribe for Shares in the Company was 26.7 million (approximately 6.0% of the Company's issued share capital and approximately 6.6% of the Company's issued share capital if the full authority proposed by this resolution 16 was used and the shares purchased were cancelled).

Resolution 17 – General Meetings

Under the Companies Act 2006, all general meetings must be held on 21 days' notice unless shareholders approve a shorter notice period subject to a minimum of 14 clear days. Annual general meetings must continue to be held on at least 21 clear days' notice.

This resolution seeks to approve an equivalent authority granted to the Directors at last year's general meeting to call general meetings (other than an annual general meeting) on 14 clear days' notice.

The approval will be effective until the Company's next annual general meeting, when it is expected that a similar resolution will be proposed.

In order to allow for the shorter notice period, the Company will make electronic voting available to all shareholders.

The shorter notice period would not be used as a matter of routine for general meetings, but only where the flexibility is merited by time-sensitive matters and is thought to be to the advantage of shareholders as a whole.
